# Medical Missionary & Sanitarium Work Training

*“We have come to a time when every member of the church should take hold of medical missionary work.”*  
*Testimonies, Vol.7, p. 62*

**The Hope Lodge**

“As religious aggression subverts the liberties of our nation, those who would **stand for freedom of conscience** will be placed in unfavorable positions. For their own sake, they should, while they have the opportunity, become **intelligent** in regard to **disease, its causes, prevention, and cure**. All those who do this will find a field of labor anywhere.”

Counsels on Health, p. 506.

### What you will learn:

- How to analyze the body Chemistry and plan a nutritional and lifestyle program based on the numbers.
- Learn how and why nutritional deficiencies affect the organs and tissues and produce disease.
- How to use Natural Remedies (hydrotherapy, poultices, herbs etc.) to assist nature in her effort to expel impurities and establish balance.
- How the violation of Natural Laws affect the body chemistry and produce disease.
- How to use juices, teas, foods and supplements to improve the body chemistry and restore health and wellness.
